Lemon-Aid New Cars and Trucks 2011 Phil Edmonston 2010-11-11 As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."

Lemon-Aid Used Cars and Trucks 2011–2012 Phil Edmonston 2011-04-25 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota

engines and transmissions; and provides the latest information on computer module glitches. Traffic Tom Vanderbilt 2011-06-14 Waarom gaan auto's in de andere rijstrook altijd sneller? Waarom belemmeren verkeerslichten het verkeer? Waarom gebeuren de meeste ongelukken bij warm en droog weer? Waarom staan mensen in de file maar mieren niet? Waar gaan al die mensen toch naartoe? Waarom rijden we zoals we rijden? Traffic analyseert alledaagse verkeerssituaties die automobilisten allemaal kennen: de ergernis over andere automobilisten, de file, de snelle flirt, toeter- en inhaalgedrag (van de anderen uiteraard). Traffic laat op fascinerende én komische wijze zien dat ons rijgedrag veel zegt over ons karakter en dat rijgedrag een uitgelezen mogelijkheid biedt om de menselijke natuur te onderzoeken. Door dit boek gaan we anders naar onszelf kijken, en wie weet maakt dat ons betere automobilisten. Wie Traffic heeft gelezen, zit voorgoed op een andere manier achter het stuur. Lemon-Aid New and Used Cars and Trucks 1990–2015 Phil Edmonston 2013-11-18 Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than 42 years, pulls no punches.

Lemon-Aid Used Cars and Trucks 2012–2013 Phil Edmonston 2012-05-19 Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and

Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Lemon-Aid New and Used Cars and Trucks 2007–2017 Phil Edmonston 2017-03-11 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iny and the Editors of the Automobile Protection Association, pull no punches.

Lemon-Aid Used Cars and Trucks 2010-2011 Phil Edmonston 2010-05-11 "The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay.

As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

De Romeinse lusthof David Hewson 2013-09-12 In een verborgen studio in een afgelegen Romeinse wijk, waar het Vaticaan de prostitutie vroeger oogluikend toeliet, worden een man en een vrouw dood aangetroffen voor een van de mooiste schilderijen die onderzoeker Nic Costa in zijn leven ooit heeft gezien: een tot dan toe onbekend erotisch schilderij van de grote meester Caravaggio. Uit het onderzoek van de patholoog-anatoom blijkt dat de vrouw vlak voor haar dood seks heeft gehad. Haar dij is zodanig bewerkt met een mes dat het patroon lijkt op de kenmerkende inkerving die Caravaggio op zijn schilderijen zette.

Aanwijzingen leiden Nic Costa naar een groep aristocratische en invloedrijke Romeinen, die zich de `extasisisten noemen. Het is echter vrijwel onmogelijk hun gangen na te gaan, omdat ze van hogerhand worden beschermd tegen onderzoek naar hun duistere praktijken. Costa krijgt hulp in de gedaante van Zuster Agata, een expert op het gebied van 17de-eeuwse schilderkunst. Maar juist zij wordt de spil, de getuige én het doelwit in een zaak die hen beiden terugvoert naar het verleden van Caravaggio en de redenen waarom die destijds Rome moest ontvluchten `De spanning is bloeddrukverhogend en de elegante schrijfstijl van Hewson maakt deze thriller weer helemaal af. Anne Jongeling op Nu.nl, vijf sterren David Hewson brak in Nederland door met De Vaticaanse moorden, het eerste boek rond onderzoeker Nic Costa. De Romeinse lusthof is het zesde boek in deze verslavende reeks, die zich afspeelt in Rome.

U.S. News & World Report

1987

Lemon-Aid New Cars and Trucks 2013 Phil Edmonston 2012-12-01 Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a "perfect storm." There's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold? Which cars and trucks are "wallet-friendly" and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

Lemon-Aid New and Used Cars and Trucks 2007–2018 Phil Edmonston 2018-02-03 A

Globe and Mail bestseller! • “Dr. Phil,” Canada’s best-known automotive expert, and George Iny walk you through another year of car buying. After almost fifty years and two million copies sold, Phil Edmonston has a co-pilot for the Lemon-Aid Guide — George Iny, along with the editors of the Automobile Protection Association. The 2018 Lemon-Aid features comprehensive reviews of the best and worst vehicles sold since 2007. You’ll find tips on the “art of complaining” to resolve your vehicular woes and strategies to ensure you don’t get squeezed in the dealer’s business office after you’ve agreed on a price and let your guard down. And to make sure you receive compensation where it’s due, Lemon-Aid’s unique secret warranties round-up covers manufacturer extended warranties for performance defects. Lemon-Aid is an essential guide for careful buyers and long-time gearheads (who may not know as much as they think).
