ARMY CORE LEADER COMPETENCIES - University of Akron

Commitment-focused influence generally produces longer-lasting and broader effects. Whereas compliance changes only a follower's behavior, commitment reaches deeper— changing attitudes and beliefs, as well as behavior. For example, when you build responsibility among followers, they will likely demonstrate more initiative, personal

Fundamentals of Coaching - NFHS

educational; however, if they are organized and played in certain ways, they do support educational goals. The educational value of athletics is largely dependent on how the activity is structured, and that means what you as the teacher/coach choose to teach and model. When structured appropriately, athletics offers a
