Bible Readings for the Home Circle - Illustrated Many Bible Students 2015-01-30

Heritage Edition—This 1914 edition text is combined with some 300 illustrations and some 110 poems from a 1923 printing. This is a collection of readings on two hundred topics in which are answered nearly four thousand questions on important spiritual and religious subjects, contributed by a large number of Bible students. Bible readings mean a topical study of the Bible by means of questions with answers from the Scriptures. The reader of this volume will gain a clearer understanding of the Bible and of its practical value in everyday life. There will be a more comprehensive understanding of the end-time prophecies of the books of Daniel and Revelation, and such subjects such as the State of the Dead; What, When, and Where is Hell; The True Lord's Day; the Antichrist; the Rapture; the Mark of the Beast; Armageddon; the Millennium; and Eden Restored. A clear understanding of Bible teaching regarding such subjects will prove to greatly protect one from Satan's end-time deceptions.

Latinxs, the Bible, and Migration Efraín Agosto 2018-10-27 This book examines the conjunction between migration and biblical texts with a focus on Latinx histories and experiences. Essays reflect upon Latinxs, the Bible, and migration in different ways: some consider how the Bible is used in the midst of, or in response to, Latinx experiences and histories of migration; some use Latinx histories and experiences of migration to examine Biblical texts in both First and Second Testaments; some consider the "Bible" as a phenomenological set of texts that respond to and/or compel migration. Cultural, literary, and postcolonial theories inform the analysis, as does the exploration of how migrant groups themselves scripturalize their biblical and cultural texts.
