the birds and water for the grass and flowers. Jesus tells us that the birds and the flowers have nothing to worry about, because of the great love of God for them. Jesus also asks that we think about the fact that God considers us of greater value than even the birds and the flowers. When we realize how much God truly cares for us, and we

One Hundred Common Insects of New Mexico

thorax) without distinct separation. Opisthosoma leathery, flattened in unfed ticks; opisthosoma globose when tick is engorged. With suck-ing mouthparts, instead of the combination found in other arachnids. Larval ticks with three pairs of legs; all other stages with four pairs. Usually found on mammals and birds. Common dog ticks often a seri-
