De witte duisternis David Grann 2018-11-07 Henry Worsley was een liefhebbende vader en een onderscheiden officier van de Britse special forces. Zijn grote idool: Ernest Shackleton, de man die in de negentiende eeuw probeerde om als eerste de Zuidpool te bereiken en later probeerde om Antarctica te voet te doorkruisen. Levensgevaarlijke tochten, waarbij Shackleton zich een heldhaftig leider toonde. Een van de voorouders van Worsley, Frank Worsley, was meegeweest op een van de tochten van Shackleton. Worsley voelde zich al zijn hele leven erg aangetrokken door die expedities. Hij verzamelde alles wat met de reizen te maken had en was vastbesloten de reizen zelf ook te maken,

en dan te slagen waar Shackleton gefaald had. In 2008 ondernam Worsley met twee andere nazaten van de oorspronkelijke expeditie een reis door Antarctica. In 2015 besloot hij terug te keren naar dat barre landschap en helemaal alleen van de ene kant van het continent naar de andere te lopen. Een levensgevaarlijke tocht, zoals zou blijken.

Chasing the Cup Jimmy Spithill 2017 Jimmy is the world's most successful racing skipper, and at 38 has already reached legendary status. In 2013 he led Oracle Team USA to victory against New Zealand against massive odds, recovering from 1-8 to win 9-8 (the Wall Street Journal called it 'one of the greatest comebacks in sports history'), and was the skipper for Oracle's 2017 America's Cup defence as well. This is his autobiography, and it opens with a young Jimmy in hospital about to have

surgery on his leg, being told by the doctors he'll never be much good at sport. This sparks a life-long determination to prove them wrong. He won his first race aged 10, and using a credit card to pay for travel he went on winning races all over the country, and then the world. He debuted in the America's Cup as a skipper at age 20, and after a tough legal battle to free himself from his contract with the Young Australia team, he sailed in the next two Cups before becoming the youngest ever winner of the America's Cup in 2010, as helmsman and skipper of BMW Oracle Team 90, only to win it again three years later in 2013. This book is far from the usual media-trained official account you often get, especially in the closed-off world of the America's Cup. Jimmy's open, honest style gives us a rare insight into what goes on in the head of an extremely focused man at the top of his game. It's a rags-to-riches story of fierce determination, court cases, seasickness, crashed boats and cars, alcohol and winning against all the odds. And it all contributed to turning a quiet, bullied, water-loving blue-collar redhead born in Sydney into one of sailing's biggest rockstars. A compelling read, with many lessons in leadership, teamwork and achieving your dreams, no matter how impossible

they seem.

In Brazil Fran Bryson 2016-01-27 In Brazil, you can commune with spirits and dance with gods. In Brazil, you can learn a lot about life's possibilities. Seven years of travel in Brazil saw Fran Bryson's fascination with the country develop into something of an obsession with its culture, religions, and history. During many journeys from her island home in Australia, she explored the country: from the glittering modern city of Brasília to small, deeply religious towns; from the inner reaches of the Amazon jungle to the vibrant backlands — home to outcasts and the possessed — and finally to the sweat-drenched streets of Rio during Carnival. Lyrical and mesmerising, In Brazil is Fran's account of her experiences travelling through one of the world's most colourful and contradictory nations and, in doing so, making sense of the world around them. PRAISE FOR FRAN BRYSON '[A] closely observed, lyrically written, deeply empathetic account of seven years' worth of travels though the world's fifth largest country ... it heralds the arrival of a promising new talent in the travel writing field.' The Weekend Australian '[Bryson] fills her narrative with characters, culture, and history, often creating

vivid scenes in this primer for those curious about the country that will try to reveal itself as the land of the future when it hosts this year's Olympic Games. Travel writers often reveal as much about themselves as the places they explore and the people they encounter. Bryson proves herself to be an amiable and curious explorer ... In Brazil should spur readers towards further forays into understanding the country.' Australian Book Review

FIFA World Cup and Beyond Kausik

Bandyopadhyay 2018-10-29 Soccer, the most popular mass spectator sport in the world, has long been a site which articulates the complexities and diversities of the everyday life of the nation. The imaging and prioritization of the game as a 'national'

or an 'international' event in public opinion and the media also play a critical role in transforming the soccer culture of a nation. In this context, the FIFA World Cup remains the grand spectacle for asserting the identity of the nation. This book intends to offer eclectic perspectives and discourses on the FIFA World Cup, and to throw light on the changing dimensions of football and sports culture in terms of identity, race, ethnicity, gender, fandom, governance, and so on. On the one hand, it focuses on the significance of the FIFA World Cup for nations in terms of hosting, performance, playing style, and identity formation. On the other, it looks beyond the World Cup to highlight the growing importance of a host of perspectives in sport in general and football in particular with reference to art, fandom, gender, media, and governance. The chapters in this book were originally published as a special issue of *Sport in Society*.

De jongen, de mol, de vos en het paard Charlie Mackesy 2020-04-04 'De jongen, de mol, de vos en het paard' van Charlie Mackesy is een prachtig verhaal over vriendschap, liefde en jezelf zijn, poëtisch vertaald door Arthur Japin. 'Wat wil jij worden als je groot bent?' vroeg de mol. 'Lief,' zei de jongen. 'De jongen, de mol, de vos en het paard' van Charlie Mackesy is een moderne fabel voor

jong en oud. De 100 illustraties en de poëtische teksten vertellen het verhaal van een bijzondere vriendschap, tussen de jongen en de drie dieren. De universele lessen die ze samen leren zijn stuk voor stuk levenswijsheden. De Nederlandse editie van 'The Boy, the Mole, the Fox and the Horse' is prachtig vertaald door Arthur Japin, waardoor de teksten nog dichterbij komen. Een moderne klassieker, die je kijk op het leven verandert.

Eight World Cups George Vecsey 2014-05-13 On the eve of the 2014 World Cup, New York Times sports columnist George Vecsey offers a personal perspective on the beautiful game Blending witty travelogue with action on the field—and shady dealings in back rooms—George Vecsey offers an eye-opening, globe-trotting account of the last eight World Cups. He immerses himself in the great national leagues, historic clubs, and devoted fans and provides his up-close impressions of charismatic stars like Sócrates, Maradona, Baggio, and Zidane, while also chronicling the rise of the U.S. men's and women's teams. Vecsey shows how each host nation has made the World Cup its own, from the all-night street parties in Spain in 1982 to the roar of vuvuzelas in South Africa in 2010, as the game in the stadium is backed up by the game in

the street. But the joy is sometimes undermined by those who style themselves the game's protectors. With his characteristic sharp reporting and eye for detail, Vecsey brings this global event to vivid life and has written a perfect companion for the upcoming 2014 World Cup in Brazil.
